Dear Fellow American,

Thank you for considering sponsorship of the All Service Academies Ball. As you know, the common mission of our United States Service Academies is to develop outstanding leaders for America's Armed Forces. These extraordinary young men and women are called to serve our country in our military, and many later become community and business leaders here at home and abroad.

Throughout our nation, these young servicemen and women are honored every two years by their local communities with a formal event during the holiday season. Members of all United States Service Academies for the classes of 2020 through 2023 will be recognized at the Oregon and Southwest Washington All Service Academies Ball on December 21, 2019 at the Evergreen Aviation & Space Museum in McMinnville, Oregon.

Many local businesses are helping to make this event special for these young adults who have committed to serving their country. Our goal is to provide a memorable evening with small, useful mementos as gifts of appreciation for each of the 60 or so currently enrolled Oregon and Southwest Washington Cadets and Midshipmen attending the event.

We welcome any cash or gift donations you or your organization deem appropriate. As a way of saying thank you, your personal or company name will be prominently displayed as a Service Academies Sponsor in our evening's program.

We hope you will take this opportunity to help us recognize some of the outstanding sons and daughters of the Pacific Northwest—our community's own young men and women who will soon serve as America's leaders. As the ideal of all who serve is to give back from what has been given, the Oregon and SW Washington All Services Academies Ball will pass on a portion of all donations received to Disabled American Veterans Charity .

Thank you in advance for your support. Please feel free to contact us if you have any additional questions.

Sincerely,

Kathy Barnes, President USNA Parents Club Oregon and SW Washington

Karen Faux, 2019 ASAB Coordinator
